Description :

PDF-66383 | Long before they're able to talk, babies have a whole lot to say. With this adorable board book of essential signs, babies and toddlers can easily learn how to communicate their needs, wants, and feelings and even make basic observations with a simple gesture. Studies show that babies who use sign language feel less frustrated, throw fewer tantrums, and often learn to talk more easily. Just point ... *Baby Signs: A Baby-Sized Introduction to Speaking with Sign Language*
