Description :

PDF-3f4cb | In the last few decades, more and more people are going to college to further their education. It's hard to become a scientist, a professor, or a businessperson without getting some sort of college degree--but college isn't always necessary to achieve success. Some people are ready to enter the workforce right after high school. Ellen DeGeneres was one of those people. The comedian began her career... *Ellen DeGeneres: From Comedy Club to Talk Show (Extraordinary Success with a High School)*
