Hendricks, the genius who invented the design for the Internet IT'S COOL TO BE CLEVER tells the true story of an inquisitive boy in the 1950s who doesn't fit in at school. Edson Hendricks is bullied because he is so smart (people accuse him of getting answers from his father who is the principal) and has red hair. He finds comfort in an imaginary world... *It's Cool to Be Clever: The Story of Edson C. Hendricks, the Genius Who Invented the Design for the Internet*
