Description :

PDF-8dba2 | Illustrated in full color. In this playful introduction to maps and geography, step by simple step, a young girl shows readers herself on a map of her room, her room on the map of her house, her house on the map of her street--all the way to her country on a map of the world. Once the reader is familiar with the maps, she demonstrates how readers can find their own country, state, and town--all th... *Me On The Map (Rise and Shine) (Dragonfly Books)*
