Description :

PDF-f8603 | What do you get when ordinary e-mail spam becomes infused with magic? Spellspam—and it's not supposed to exist. As far as Thea and her friends know, computers are meant to be inert vehicles for storing magic spells, not magical processors themselves. But all that seems to have changed as students at Wandless Academy find themselves the victim of practical jokes—with magical consequences—sim... *Worldweavers: Spellspam*
